

# Bureau Monitoring ADVISOR

Monitoring bureau activity is a necessity for any company utilizing bureau rates, rules, and/or forms. We know the importance of handling bureau materials in a timely manner and that this can be a very time consuming responsibility. **Martin & Company's Bureau Monitoring ADVISOR** allows you to unleash considerable time and value, and provide you with the comfort of knowing you have taken the appropriate action to comply with state requirements.

Our interactive web based **Bureau Monitoring ADVISOR** includes:

- Reviewing bureau (i.e. ISO/NCCI/Independent Bureau) Circulars/Bulletins on a daily basis
- Capturing relevant data (i.e. State, Line of Business, Circular Number, Status of Circular, Proposed Effective Date, Approved Effective Date, etc.)
- Hyperlinks to the Circular/Bulletin
- Performing the appropriate filing action on your behalf (i.e. adopt, non-adopt, or delay)
- Submitting filings, as requested by you, and closely monitoring through approval

**Bureau Monitoring ADVISOR** is customized to meet your specific needs, by monitoring only the states, bureaus, and lines of business relevant to your company. Our proprietary web based product allows you to search and filter on important data as well as export to an XLS or CSV file.
